Electronic Messaging Registration

Why this form?

You can use this form to apply for 1 or more of the following registrations:

- Electronic Messaging Registration AGS/DMS (declaration system)
This registration gives you permission to file digital declarations for the customs procedures for which you are authorised. It also allows you to exchange messages via our electronic declaration system AGS/DMS.
- Electronic Messaging Registration Transit
This registration gives you permission to digitally file your transit declarations and to exchange messages via our declaration system DVA which stands for 'Douane Vervoer Applicatie'.
- Electronic Messaging Registration Entry
This registration allows you to exchange electronic messages with the Custom Manifest system (Entry) or with BUP, which stands for 'Binnenbrengen, Uitgaan, Proviandering' (Entry, Exit, Provisioning). BUP is an application for consultation, alerts and registration of entries. It is responsible for the automated processing of the entry, exit and provisioning processes.
- Electronic Messaging Registration Exit
This registration permits you to exchange electronic messages with the Customs Manifest (DMF) system (Exit) or with BUP.
- Electronic Messaging Registration Provisions
This registration allows you to digitally report deliveries of intended provision supplies via Customs Manifest system or with BUP.

Different conditions apply to each declaration system. Therefore, you will need a separate registration for each system. More information on the various declaration systems can be found at douane.nl.

Trade & Transport Gateway (HTG)

To be able to exchange electronic messages with us, you will need access to the government's central point of contact (Trade & Transport Gateway).

Would you like more information about the various possibilities to access this Gateway? Then please visit nh.douane.nl. Should you have any additional questions, please call +31 (0)88 - 156 66 55. Open on weekdays from 7:00 am to 5:00 pm.

Please answer the questions on this form in full. Also use this form if you wish to report a change. In that case, only answer questions 1a, 1b and 1c and the question or questions for which the details have changed.

Appendices

If there is not enough space under a certain question, you should continue in an appendix. State your name and signature on each appendix.
