

Application

Consent for weapons and ammunition

Why this form?

With this form you apply for a consent for:
– export from the Netherlands or
– import the Netherlands or
– transit through the Netherlands
of arms and/or ammunition (or parts thereof) belonging to categories II and III of the Weapons and Ammunition Act. Consult the Weapons and Ammunition Act to find out whether this includes the weapon (or part thereof) and/or ammunition.

Explanatory notes to the questions

Questions marked with an * are further explained in the explanatory notes. The explanation is given on the last page of this form.

Annexes

If you have more than 1 item, please fill in the extra annex to question 6 (WM 18C). Add your name and sign each annex.

Explanatory notes to the questions

2 Country of shipment/destination

If vice versa, tick 'yes' if you are travelling through the Netherlands on both outward and return journeys. In all other cases, tick 'no'.

3a, 4a, 5a EORI number, RSIN, VAT number, BSN, persoonsnummer or personal number

Are you a business customer? If so fill in your EORI number. Do you not have an EORI number? Then fill in your RSIN. Are you a business customer from abroad without an EORI number? Please enter your VAT number.

Are you a private citizen? Fill in your personal number.

Are you an arms dealer? You're considered an arms dealer if you have the required recognition. This is a licence for the commercial handling of weapons (e.g. trading, renting, manufacturing, repairing, transforming).

3b, 4b, 5b Identification

Fill in this question if you are a private citizen.

6 Weapons/Ammunition

State here the usual trade name or description. Be as specific as possible so that it is clear which goods are involved.

6g Directive category (A,B,C)

State here the category to which the weapon belongs according to Directive (EU) 2017/853 amending Directive 91/477/EEC. The categories are:

Category A - Prohibited firearms

- 1 Explosive military missiles and launchers
- 2 Automatic firearms
- 3 Firearms disguised as other objects
- 4 Ammunition with penetrating, explosive or incendiary projectiles, and the projectiles for such ammunition
- 5 Pistol and revolver ammunition with expanding projectiles and the projectiles for such ammunition, except in the case of weapons for hunting or for target shooting, for persons entitled to use them
- 6 Automatic firearms which have been converted into semiautomatic firearms, without prejudice to Article 7(4a).
- 7 Any of the following centre-fire semi-automatic firearms:
 - (a) short firearms which allow the firing of more than 21 rounds without reloading, if:
 - (i) a loading device with a capacity exceeding 20 rounds is part of that firearm; or
 - (ii) a detachable loading device with a capacity exceeding 20 rounds is inserted into it;
 - (b) long firearms which allow the firing of more than 11 rounds without reloading, if:
 - (i) a loading device with a capacity exceeding 10 rounds is part of that firearm; or
 - (ii) a detachable loading device with a capacity exceeding 10 rounds is inserted into it.
- 8 Semi-automatic long firearms (i.e. firearms that are originally intended to be fired from the shoulder) that can be reduced to a length of less than 60 cm without losing functionality by means of a folding or telescoping stock or by a stock that can be removed without using tools.
- 9 Any firearm in this category that has been converted to firing blanks, irritants, other active substances or pyrotechnic rounds or into a salute or acoustic weapon.

Explanation of the questions *(continued)*

Category B - Firearms subject to authorisation

- 1 Repeating short firearms.
- 2 Single-shot short firearms with centre-fire percussion.
- 3 Single-shot short firearms with rimfire percussion whose overall length is less than 28 cm.
- 4 Semi-automatic long firearms whose loading device and chamber can together hold more than three rounds in the case of rimfire firearms and more than three but fewer than twelve rounds in the case of centre-fire firearms.
- 5 Semi-automatic short firearms other than those listed under point 7(a) of category A.
- 6 Semi-automatic long firearms listed under point 7(b) of category A whose loading device and chamber cannot together hold more than three rounds, where the loading device is detachable or where it is not certain that the weapon cannot be converted, with ordinary tools, into a weapon whose loading device and chamber can together hold more than three rounds.
- 7 Repeating and semi-automatic long firearms with smooth-bore barrels not exceeding 60 cm in length.
- 8 Any firearm in this category that has been converted to firing blanks, irritants, other active substances or pyrotechnic rounds or into a salute or acoustic weapon.
- 9 Semi-automatic firearms for civilian use which resemble weapons with automatic mechanisms other than those listed under point 6, 7 or 8 of category A.

Category C - Firearms subject to declaration

- 1 Repeating long firearms other than those listed in point 7 of category B.
- 2 Long firearms with single-shot rifled barrels.
- 3 Semi-automatic long firearms other than those listed in category A or B.
- 4 Single-shot short firearms with rimfire percussion whose overall length is not less than 28 cm.
- 5 Any firearm in this category that has been converted to firing blanks, irritants, other active substances or pyrotechnic rounds or into a salute or acoustic weapon.
- 6 Firearms classified in category A or B or this category that have been deactivated in accordance with Implementing Regulation (EU) 2015/2403.
- 7 Single-shot long firearms with smooth-bore barrels placed on the market on or after 14 September 2018.

7 Mode of shipment

- 7c Place of transit in the Netherlands
State the name and place of the airport or seaport.
- 7e Fill in the Dutch transit licence number for military goods
NLO07 or NLO08.
- 7f Fill in the date of the return journey.
