

Application EORI Number

For businesses with their principal place of business outside the European Union

Why this form?

This form serves to apply for an EORI number. This application form is for businesses with their principal place of business outside the Union. The EORI number is used when exchanging information with the customs authorities in the Union.

Please note!

You are required to enclose a document of the trade register of the Chamber of Commerce with this application form. This is an original or certified copy of an official document displaying identification data that has been issued by the trade register authorities or a Chamber of Commerce in the third country. The document may not be older than 6 months.

How to send

Please send this application form and the document of the trade register of the Chamber of Commerce to:
National Customs Help Desk
Postbus 74
7300 AB Apeldoorn
The Netherlands

Privacy

We treat the data of citizens and companies and your privacy with care. Please visit belastingdienst.nl/privacy and see how we do this.

1 Applicant Information

1a Company name

1b Address

1c Postal code and town

1d Country

2 Establishment in the customs territory of the Union

2a Do you have a permanent establishment in the Union? Yes. Enter the information below. Send along the listing of this establishment in the commercial register.
 No. Go to the signature section of this form.

A permanent establishment is an industrial property in the Netherlands belonging to a foreign company that has sufficient facilities to function as an independent enterprise. The permanent establishment is a part of your company established abroad. Goods are imported, transited, and exported from the permanent establishment.

2b Company name

Address

Postal code and town

2c VAT identification number issued in the country where the registered office is located

2 Establishment in the customs territory of the Union *(continued)*

- 2d Below, specify the VAT identification number(s) issued in a member state of the Union for the places of business in the Union. Start with the country code. Are there more than 4 VAT identification numbers to be specified? If so, include them below the signature.
