

Do you do business with the United Kingdom? Make sure to prepare for Brexit in time!

Preparation takes
several months!

This is what you have to do in any case:

You may also have to do this:

?

Subject to inspection?

Arrange the proper certificates from the Netherlands Food and Consumer Product Safety Authority (Dutch NVWA) and the Human Environment and Transport Inspectorate (Dutch ILT).

?

Additional Customs regulations or licences?

Check whether they apply to you.

?

Apply for an article 23 code number?

So you will not have to pay VAT on your import.

Arrange step 1, 2 or 3 now?
